

# VIROQUA CHAMBER

# MAIN STREET MAGIC - 2024

Each year, thanks to private donations, the Viroqua Chamber has been able to collectively hang beautiful flower baskets throughout the downtown area. It is with the generous support of our local businesses, service organizations, and individuals that the flower basket project continues to be such a success! With impending road construction during the second half of the summer, flower baskets will remain up as long as they can be safely watered and maintained by City of Viroqua staff. In a year of construction, beautifying our downtown while we can is more important than ever, and we would love your support!

With a \$60 contribution, you can sponsor a colorful flower basket on Main Street in the name of a loved one as a gift, a business to support downtown, or as a memorial. A list of our sponsors will be published along with names of honored loved ones. Flower basket sponsorships may be shared, so partner with a friend to support Viroqua's beautification!
